HOW TO USE THIS MARTA TIMETABLE

- To follow a bus trip you read across the page.
- Times are given only for certain points along the bus route called Time Points.
- If your departure or arrival point is between one of the Time Points, you will need to estimate the time the bus will be at your stop.
- Locate your stop on the map.
- Then find the nearest Time Point before your stop.
- Depending on which direction you wish to travel, find that Time Point on the Inbound or Outbound time section for weekdays or weekends.
- Estimate the number of minutes it will take the bus to get from the nearest Time Point to your stop.
- Then choose the time you need to travel. Letters next to times refer to important footnotes you should read.
- When a blank appears under a Time Point, it means that a bus does not pass by that point on that particular trip.
- Be at the bus stop a few minutes early to allow for errors in estimating.
- All times given may vary with weather and traffic conditions.

FARES

- Fare for each one-way trip is \$2.00

TRANSFERS

- All customers are required to have a valid Breeze Card/Ticket loaded with appropriate fare to ride MARTA.
- Transfers are only available on a Breeze Card/Ticket and are automatically loaded when you tap to board a bus or exit a rail station.
- If you pay with cash you will need to load your fare onto a Breeze Card/Ticket to receive your transfer.
- Transfers cannot be used for round-trip travel.
- You are allowed 4 transfers within a 3-hour period.

NOTICE: While MARTA makes every effort to operate service as scheduled, times given may vary due to road, traffic and other conditions. Please allow sufficient time when planning a trip and connections.
