WELCOME to MARTA, the Metropolitan Atlanta Rapid Transit Authority, created in 1965 to provide rapid transit services to the residents and visitors of the metropolitan Atlanta region. MARTA is the 9th largest transit system in the United States providing more than 500,000 transit passenger trips every day. Although we are primarily funded by a 1% sales tax levied by the City of Atlanta and DeKalb and Fulton counties, MARTA contributes to the economic, social and environmental health of the entire Atlanta region as well as the State of Georgia. Through your patronage and support, MARTA helps to eliminate 185,000 extra automobiles on our freeways daily, which reduces the amount of harmful pollutants entering our environment. It's a milestone MARTA takes seriously in its commitment to the community and to you, our customers.

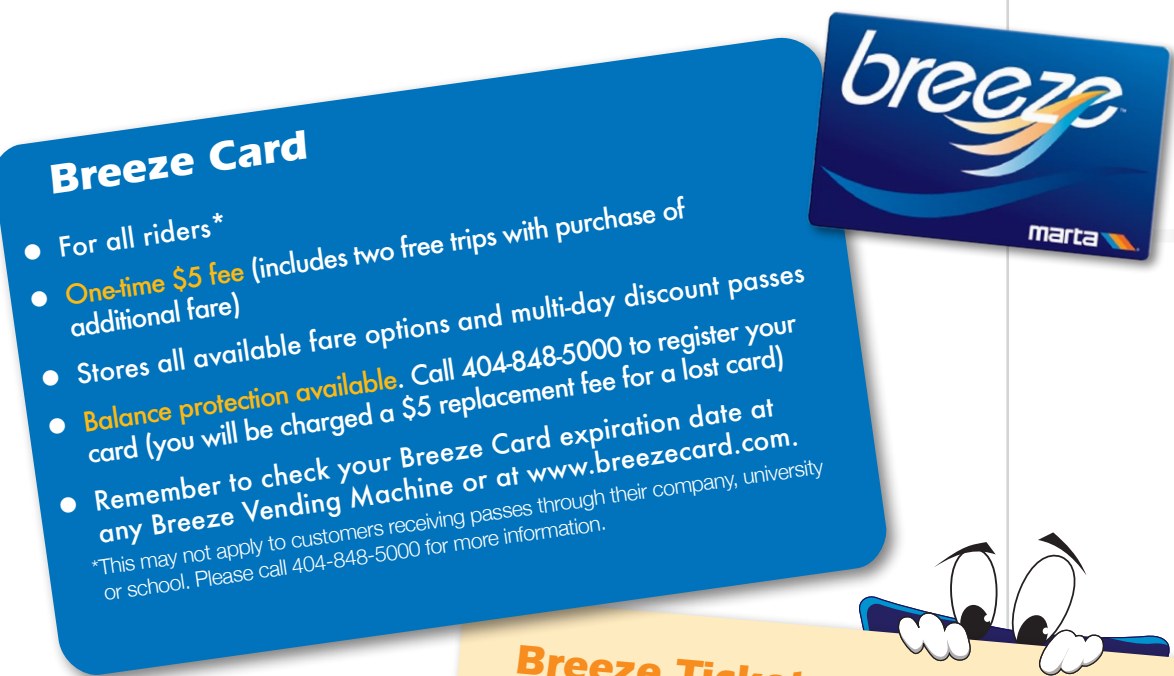

MARTA is honored to serve you, and we work hard every day to earn your trust. Our commitment to you is to do our very best to provide safe, reliable and overall quality service on a consistent basis. As MARTA's General Manager and CEO, I welcome your feedback. Your thoughts and comments are important to me and I would like to hear from you regarding our quality of service. You can contact me at gm@itsmarta.com or write to me at MARTA General Manager, 2424 Piedmont Road, N.E., Atlanta, GA 30324.
